

# Understanding Your Rental Charges

A FEE GUIDE FOR  
**VILLAGE**  
 ON THE PARKWAY

We've created this simple chart to help you budget and calculate your total housing costs in our community. The monthly Base Rent is shown on our site and changes depending upon move-in date and unit selection. Below is a list of typical potential fees you may encounter as a current or future resident. This way, you can easily see what your initial and monthly costs might be in addition to the base rent. See lease documents and community information packet for further details. Certain one-off resident charges, i.e. requested unit modifications etc, may be specific to your home and as such are not shown here. Should you have any questions please reach out to the on site leasing team.
